

Gilda's Club Westchester presents: Cancer in the Classroom

SAVE THE DATE: Friday, February 10th, 2012

***snow date: March 2nd, 2012**

8:00am - 12:30pm

**Social Workers, Psychologists, Nurses, Guidance Counselors,
and Support Staff**

Join us for a morning of information and discussion on the impact of cancer in school communities. **Gilda's Club Westchester** will provide information on how to support children and teens who have a family member living with cancer, as well as offer creative interventions to use with children impacted by cancer. **The Leukemia & Lymphoma Society** will present "*Staying Connected: Facilitating the Learning Experience During and After Cancer,*" a presentation about the cognitive, social, and physical effects of childhood, adolescent, and young adult cancer treatment on the learning experience. *A light breakfast and lunch will be provided.*

12:00pm - 3:00pm

Middle and High School Health and Science Teachers

Join us for an informative training on the **Gilda's CLASS** online curriculum about cancer facts, treatment, and support. This training will supply you with lesson plans, teacher notes, student handouts, and extension activities. *Lunch will be provided.*

This training is free of charge.

**To register for either session please contact Jen Scully:
