

CALLING ALL TEENS...

Do you or did you have cancer yourself?

Do you have a family member living with cancer?

Did someone in your life die from cancer?

Here at Gilda's Club Westchester, we find that most teens are impacted by cancer in some way.

If you are one of those teens, come join us at GCW for Teens Connect.

Our first group will meet Thursday, January 13th from 6:30-8:30pm.

Join us to meet others and brainstorm ideas for future groups.

Who: Teens ages 13-17 impacted by cancer in anyway.

What: A co-ed supportive group for teens impacted by cancer to get to know each other, socialize, and give back to the GCW community.

When: Thursday, January 13th, 6:30-8:30pm

Where: Gilda's Club Westchester - 80 Maple Avenue, White Plains, NY 10601

***Sign Up is required for this group. To sign up, please contact Children & Families Coordinator, Jen Scully: jscully@gildasclubwestchester.org or 914-644-8844.**
